Dear Everette:

I wanted to take this opportunity to thank you for the great job your company did in refinishing and reupholstering our waiting room furniture.

This was a major project as over eighty (80) chairs required restoration. The quality of the work was excellent and it was completed in a timely fashion. Your staff coordinated the pick-up and return of furniture so that sufficient seating was available during the project. Your willingness to work us was greatly appreciated.

Again, thank you and I would recommend your company without reservation.

Sincerely,

Robert E. Williams
